

LACEY & CO. THE INTEGRITY GROUP -
NDIS CERTIFICATION SUPPORT

IS YOUR ORGANISATION NDIS AUDIT READY?

ENSURING COMPLIANCE, SO YOU CAN FEEL
CONFIDENCE

WHAT WE OFFER

We offer NDIS providers a comprehensive NDIS Audit compliance framework and suite of documents; taking the stress out of the Audit process and bringing confidence to your organisation.

Our frameworks meet NDIS practice standards and are tailored to set your organisation up for success in Stage 1 and 2 of the Audit.

Our packages include documents that:

- Meet NDIS governance expectations for your organisation;
- Clearly show how your organisation complies with the modules relevant to the NDIS Practice Standards you need to meet;
- Provide all of the policies, procedures, systems and checklists you need to be compliant for Stage 1;
- Set you and your employees up for success in Stage 2; and
- Centre the rights and needs of Participants, to ensure that Participants' human rights and needs are met and respected.

The unique cross-disciplinary team at Lacey & Co., inclusive of allied health provider collaboration; ensures all of our packages have been produced and assessed by legal and allied health experienced professionals.

All of our packages include access to an experienced and expert member of our team to assist you through your Audit.
