WHAT ANON OFFERS

Anon is a secure, third-party online disclosure service where employees and other stakeholders can make anonymous disclosures that relate to misconduct at a subscriber organisation.

You can disclose inappropriate conduct in your workplace environment, including harassment, discrimination, bullying, fraud, misconduct or other improper states of affairs.

Anon ensures that disclosures are dealt with effectively, confidentially and in such a way as to ensure your organisation avoids enormous penalties.

Furthermore, Anon's sister organisation Lacey & Co. The Integrity Group can offer services to further ensure compliance via:

- A whistleblower policy bespoke to your organisation; and
- Training for your staff and your whistleblower protection officers.

Lacey & Co. The Integrity Group has expertise in workplace and whistleblower legislation and coupled with Anon, ensures bespoke solutions that help you confidently comply with the Treasury Laws Amendment (Enhancing Whistleblower Protections) Act 2019 (Cth).
